

The ABC's of Children's Ministry

Will our children have faith? How does your faith affect their lifestyle? Can a Christian life-style be passed on to the new generation?

A is for AFFIRMATION. It is also for action. Faith without action is dead.

B is for BELIEF. How can children believe in God unless they know the Bible stories and traditions of faith that tell of God's love?

C is for COVENANT COMMUNITY. We have entered into Covenant with God at the baptism of each child of this church community. We promise to nurture them in every way toward a life of faith.

D is for DEDICATION. We are called to "go therefore and make disciples of all nations... teaching them to observe all that I have commanded you." Matthew 28:19-20.

E is for ENERGY. That is what it takes to teach and learn effectively. The source of our energy in the church is the Holy Spirit who comes to us through worship, prayer and study.

F is for FAMILY. Family is our most vivid illustration of what our church is. We are the family of God.

Our hope is that these ABC's will be your springboard to involvement for yourself and your children in the Sunday School program of Williamson's Chapel United Methodist Church.

Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these.

Workshop Rotation explores a Bible story by using multiple workshops (art, drama, cooking, video, games, etc). For four weeks the children will rotate into a different workshop learning the same story. This curriculum uses the multiple intelligence approach to education and is very popular with teachers and children.
