How Do I Get Involved?

We believe "Hands On Missions" are essential to carrying out the Great Commission of Christ. Throughout the year, you will see and hear of various ways to be active in mission involvement.

Various members of the church volunteer at the Winnie Hooper Center in Mooresville. Others volunteer on a regular basis in building homes for Habitat for Humanity and the Mooresville Soup Kitchen.

Our youth travel yearly on a mission trip to help others in need with construction, renovations of homes, etc.

Each Christ Connection Spiritual Formation Group works on a hands-on mission project as well. One group has adopted a shut-in family, another has adopted a local family in need and provides clothes, food, etc. for them.

Watch the weekly bulletin for hands on mission opportunities.

Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you can.
