

What Gift Can I Bring?

Music Ministry at Williamson's Chapel is a significant part of the Spirit life of our church. There are so many ways to become involved in the activities of our music program. With choirs for nearly every age, handbells for various levels of experience, and our own instrumental group, there are several ways for our members to share their talents as musical offerings to God.

As our church continues to grow, we are blessed with new talents. If you have an artistic talent for which you do not see an outlet, please speak with John Francis - our Director of Music Ministries about this so we may work to include a wider range of the arts in our worship.

Pray about how you can best use your talents to serve our God. You will certainly be welcome in our ministry together here at Williamson's Chapel United Methodist.

John Francis, Director of Music
