## Monthly Breakfast Meeting

The Williamson's Chapel United Methodist Men meet the first Sunday of each month at 7:15 a.m. in the Fellowship Hall for a country style breakfast and a devotion. All men are invited and welcome to attend. Come at 7:00 AM and meet some new members. Each month will feature a different speaker.

## UMM Barbeque

Each February the United Methodist Men of Williamson's Chapel host a traditional barbeque. Proceeds from the Barbeque go towards supporting missions and other charitable organizations.

## Williamson's Chapel and Habitat for Humanity

The United Methodist Men at Williamson's Chapel welcome all people to join us as we build simple, decent, affordable houses in partnership with those who lack adequate housing through Habitat for Humanity. Habitat homeowners purchase their houses through no-profit, no-interest mortgages while contributing hundreds of hours of sweat-equity labor, working on their house and the houses of others. Mortgage payments are placed in a revolving Fund for Humanity to finance the construction of even more houses. Volunteers and donors have made it possible for 369 people, including 224 children, to live in Habitat homes in Mooresville, Davidson, Cornelius, and Huntersville; 2100 people to live in Habitat Homes internationally. 2,567 people no longer live in sub-standard housing conditions due to Our Towns Habitat for Humanity's efforts. (Statistics updated July 2005.) Our Towns Habitat for Humanity celebrated the dedication of the 100th Habitat home to be built locally since 1988. Williamson's Chapel will start building on October 1st and participate on the 1st and 3rd Saturday's of each month, through the spring of 2006.

## Helping Hands

Helping Hands is a group of men from the church who are available to assist church members and members of the community with small projects that they may not be able to complete by themselves due to illness, temporary disability, problems with climbing ladders, etc. The men of the group have experience in many different areas to assist you. If a project is beyond our abilities we can offer advice and assist you with obtaining professional help.
